## LITTLE ABINGTON PARISHCOUNCIL: RISK MANAGEMENT SCHEDULE

## **Definition of Risk Management**

Risk is the threat that an event or action will adversely affect an organisation's ability to achieve its objectives and to successfully execute its strategies. Risk management is the process by which risks are identified, evaluated and controlled. It is a key element of the framework of governance together with community focus, structures and processes, standards of conduct and service delivery arrangements.

The purpose of this document is to enable the parish council to assess the risks it faces and to satisfy itself that it has taken adequate steps to minimise them.

The Council is aware that although some risks can never be eliminated fully, it should have a process in place that enables a structured, systematic and focused approach to managing risk, that:

☐ Identifies ke	ev risks
-----------------	----------

☐ Identifies what the risk may be

☐ Identifies the level of risk

☐ Evaluates the management and control of the risk and records findings

☐ Reviews, assesses and revises procedures if required.

Key risk scoring and impact

Size Of Risk	
0-9	Low
10-15	<mark>Medium</mark>
>15	High

	Likelihood	Impact
1	2% likely to happen	Very low
2	5% likely to happen	Low
3	10% likely to happen	Moderate
4	20% likely to happen	High
5	50% likely to happen	Very high

Subject	Risk	Likelihood	Impact	Risk rating	Management /control of risk	Review/assess/revise
MANAGEMENT						
Business continuity	Council not being able to continue its business due to an unexpected or tragic circumstance	2	5	10	<ul> <li>All paper files and records are kept at the clerk's home .</li> <li>There is no backup except for documents sent by email or archived on the Abington's website.</li> <li>There is no parish council procedure should the clerk be indisposed or unable to work for a significant period</li> <li>The Parish Council's insurance includes cover for business continuity</li> </ul>	<ul> <li>May 2018</li> <li>Paper records being reduced</li> <li>Fortnightly PC back up held off site</li> <li>Most recent key documents are available on web site</li> <li>Cover would be required if clerk was absent for a long period.</li> <li>Some costs could be covered through insurance</li> </ul>
