5.2 2018 – 19 Budget Plan

The committee discussed the draft budget plan taking into account the previous year's expenditure, and also future spending. PB identified that it is prudent to ensure that if there was no income or income was delayed the Committee has enough money to continue the basic duties of the committee which are risk management –insurance, maintenance of equipment and repairs. It was decided that an increase in the precept from both GAPC and LAPC should be requested as there would be a shortfall in income compared to expenditure. Action LP/LS & PB

6. Children's play area

6.1 General condition – Good – Soil was sourced free of charge from the Linton Road building site and this has been used to level and fill in holes in the Children's play area.

The large swing seat needs replacing. CA has sourced a quote for a large swing seat £43.80 including delivery & VAT – Proposed CA Seconded LS

6.2 Installation of Bins. - see minutes from last meeting

7. Multi- sport area

- 7.1 General Condition LP has cleared the weeds around the perimeter and removed composted leaves. More leaves will need to be removed towards the end of November.
- 7.2 Fencing 3 Boards around the perimeter need to be replaced this was agreed at the previous meeting, MB services have agreed to purchase 3 x boards and kindly agreed to install them free of charge if a member of the committee assists with the installation. PB to send LP the email quote from MB Services.

8. Outdoor gym

8.1 General condition - minor repairs completed. PB

9. Ground Condition

10.1 General Condition – good – Soil was sourced free of charge from the Linton Road building site and this has been used to level areas on the Recreation Ground.

10. Replacement of trees and Shrubs - area near to MUGA & container

Lois Ball representative of NatureWatch would like the committee to consider putting in some shrubs to attract insects, probably close to the container: Lois suggested Buddleia & Hebe. The committee agreed to the planting of shrubs in principle but felt like it would be advisable to get some more ideas/suggestions from the gardening club. As Richard Smith is a member of the Gardening Club, it was felt that he would be best placed to liaise with the Gardening club and report back at the next meeting. Action RS

It was also suggested that Cambridgeshire and Peterborough Biodiversity Group (<u>http://www.cpbiodiversity.org.uk/</u>) might be helpful and might even have funding.

David Pimblett presented a list of several varieties of trees and their approximate cost and size.

Trees – Oak Franetto – approximate cost £300.00 per tree Birch Tree – approximate cost £90.00 Tulip Tree – approximate cost £107.00 Liquid Amber –approximate cost £140 Black Walnut – approximate cost £77.00 Metasequoia –approximate cost £128.00

It was felt that it would be beneficial for the committee to see images of the trees with specific details. LS agreed to present this at the next meeting so that the committee can make a decision on the 3 replacement trees. Action LS & DP DP also suggested that parishioners might like to consider memorial trees!

11. Equipment

- 11.1 New equipment and future planning S106 Funding
 - Improvements to the M.U.G.A
 - Pump Track/ZipWire
 - New equipment for play area

The committee would like to have a breakdown of the S106 allocated funding from the GAPC. LP to organise for the next meeting.

12. Pump Track Update Report: AC/PB -

Peter presented an update on the Pump Track, which provided the committee with a much clearer and informed understanding of the current status of the Pump Track application. The Powerpoint presentation is available for parishioners to see on the Village website.

AC presented a draft funding request letter which is to be sent out to local companies asking for donations towards the cost of the Pump Track. LP is to present the draft letter at the next GAPC meeting to ask for any amendments to the letter before it is sent out.

- 13. Any other business None
- 14. Date of next meeting: Monday 14th January 2019 7.15 pm
