Letter from the Editor

This April issue reminds us of the Christian messages of Lent and Easter which promote hope and the undertaking of greater acts of kindness (pages 4, 6). There is exciting news of a new Abington church project aimed at fostering greater understanding between science and faith (page 4). On 27 April Great Abington church will resound once more with an excellent concert from the Tapestry Singers. Don't miss it (page 12).

Changes have been made at the Abington Shop and Post Office, including extension of the opening hours of the Post Office. On page 6 we have a welcome message from the new owners.

Please remember the Abingtons litter pick on Saturday 30 March; this always results in much cleaner village roads and verges. The Parish Councils are still working hard on planning issues and on access to pathways and concern about positioning of speed signs (pages 7, 8). Many responses were received to requests for ideas about Abingtons' future; these appear on page 13.

At this time of year when some of us may be thinking about spring cleaning, it is very helpful that Hildersham arranges a visit from Emmaus to collect our discarded household goods, books, clothes etc. (page 9).

It is very good to know that the recent appeal for more volunteer cake bakers has met with success so delicious treats in the café seem to be assured (page 12).

Abington Jeremiahs report wide-ranging activities, and the PTFA has sent notice of their events (page 14). The diary pages (10-11) again provide plenty of opportunities for mental and physical exertion, and all in a friendly sociable atmosphere.

Healthwatch (Cambridge and Peterborough) want our suggestions on how to improve the NHS services and contact details are on page 9. Shockingly, Granta Medical has supplied details of the large number of appointments made with GPs for which the person does not attend. What a waste of valuable NHS resource, and something to make every effort to reduce (page 17).

Cold weather could still be on the way so it is good to have another date for the community oil order as shown below.

Despite the many uncertainties of our time, I wish you all a Happy Easter.

Valerie Silvey

From the Seven Churches

Lent has traditionally been a time when people try to give things up. Recently, however, there has been a trend towards a commitment to do something during Lent. A UK Christian charity called Stewardship, for example, has created a movement called *40acts*, which challenges people to see Lent in a different light and commit to acts of kindness during this time. For eight years, *40acts* has asked a question: what if Lent could be about more than just giving stuff up? What if it could be a time of radical generosity as well as spiritual discipline?

This question, which could be addressed to any one of us, echoes what lies at the heart of Christian worship at Easter time. Here we discern the radical generosity and grace of God, reflected in the life, death and resurrection of Jesus. The Greek word used by St Paul to describe the love of God for us in Christ is *agape* – which means the unconditional loving kindness of God towards humans. This is the love, as St Paul says in one of his letters, which ‘never ends’; the love which opens the door into a new creation.

At Easter, we are also invited to trust in the power of Christ to re-create our lives today, to see the whole landscape of our lives enlightened by Jesus. In this light we see who we are, how we so often fail but also how we are valued and loved by God. We see each other as people valued by God, and our perspectives are changed. We see the world around us charged with God’s glory, inviting our care and reverence.

When we start to see other people and the world around us in this light, we recognise that discerning God’s presence and seeking to do acts of loving-kindness are not just marks of Lent, but a way of being and doing which can help us walk through an open door into a world transfigured by grace.

Abington Church is one of only fourteen in UK

An Abington PCC project is one of only fourteen nationally that has received funding from the **Scientists in Congregations** programme aimed at fostering greater understanding about science and faith. It is a Durham University ecumenical project run in partnership with the Church of England and other churches and funded by the Templeton World Charity Foundation.

The Abington project will entail quarterly lunchtime talks by eminent scientists, being held at the Granta Conference Centre and will be especially appealing to those who work on Granta Park. It is hoped the first talk will be in May/June; details will be widely publicised beforehand.

Revd Dr Kathryn Pritchard, Scientists in Congregations project leader, said: ‘This is an exciting opportunity for parishes both big and small to respond to questions and concerns that are relevant both to church goers and to the local community about science and faith. There is a huge public appetite for discussion about the science-faith relationship and previous projects have attracted high levels of interest, not only from regular church members but also from the wider community’.

Abington is in good company as Ely and Lichfield cathedrals are amongst the 14 church projects receiving grants from the Scientists in Congregations scheme. For further information contact Tony Collett 893 447

News from the Pews

Members of our churches in the Granta Vale have recognised the need for private prayer within their communities. So Revd Iain has instructed all seven churches to install a 'prayer corner', a place where we can go alone at any time in privacy, to spend quality, focused, prayer time. This is something you may find beneficial in a distracted life, to be able to pray more like you want to. Little Abington has recently installed a beautiful prayer corner behind the glass screen – a perfect place of solitude. Great Abington will have their 'prayer corner' in place for Easter. We welcome you to use these areas in our churches.

Pioneer Minister Jeanine Kennedy – Having moved in to the vicarage at Little Abington Jeanine held open house on 16 March, welcoming parishioners with tea and cake and prompting a sharing of ideas about developing the faith community. *Photo by Emma Jones*

Easter Lilies – As usual we will be placing lilies in remembrance of our loved ones in St Mary's churches at Easter time. If you would like to have a lily dedicated to someone you love but no longer see, please put a donation into an envelope with the name of the person written on it and give it to Patsy Randall, Anne Hall or leave it in the post box at 34 West Field by Sunday 14 April.

All of our Easter services are noted on the back page of this magazine. Do join us to take part in our Easter services.

Have you returned your Church Electoral Roll Form to Mary Miles?

Deanery Spring Fair – Saturday 30 March (not 16 as previously recorded) 10am – 12noon at Shelford Memorial Hall. Gifts of produce will be gratefully received by Marilyn Broadhurst or Mary Miles.

Monday 29 April – Annual Parochial Church Meeting will be held in Great Abington Church at 6pm.

Charity for April – Continuation of the Bishop's Lent Appeal 'Christian Aid'

Funerals:

Susan Toates sadly passed away on Sunday 10 March. There will be a committal at Cam Valley Crematorium at 11am followed by a service of thanksgiving at Great Abington church at 12 noon on Monday 1 April.

Sue has been a huge asset to our community with her amazing catering skills; she will be sorely missed by all who knew her. Our thoughts and prayers are with her and her husband Robin.

Douglas Taylor passed away on Tuesday 12 March. On Wednesday 3 April at 1pm there will be a committal at Cam Valley Crematorium followed by a gathering for refreshments at the Village Institute. The service will be taken by a Naval Chaplain in remembrance of Lieutenant Commander Douglas Taylor RN and his achievements. Douglas invented the 'Ski Jump' ramp for short take-off and conventional planes, described in his book "A Runway in the Sky". This interesting and modest gentleman made many friends in his short time here in Abington.

Our thoughts and prayers are with Douglas's wife Iris, his daughter Sally, son David and the extended family.

Little Abington United Reformed Church

I love Easter, not for the chocolates, not for the days off, but for the hope that it speaks of. In the face of everything horrible that his world could throw at him, Jesus never entered into it. The soldiers beat him and crucified him; he prayed for them "Father forgive them, they don't know what they do!" The scoundrels crucified with him mocked him; he held out to them the hope of God's power to take them to paradise. Peter three times denied he knew him; Jesus met him after the resurrection and gave him space to affirm his love for Jesus three times, then trusted him with His mission.

Sure, the resurrection is a promise of life beyond life, but even more than that, it is a promise that Jesus' way is stronger than anything the world could hurl against it.

From the Abington Shop and Post Office

Firstly we would like to thank the lovely people of Abington and its surrounding villages for their warm welcome and making our family feel at home. Our two boys have settled in wonderfully at the school.

As you can imagine, taking over a challenging thriving business and at the same time maintaining a quality service is never going to be easy! - but we hope we have made a positive impact.

A few things you may have noticed:

- The opening hours of the shop are:
7am to 8pm Monday to Saturday
8am to 4pm Sundays
- The post office is now open 7 days a week, the same hours as the shop.
- No lunchtime, half day Saturday and Sunday closures, so all your regular post office services and banking needs, and much more, are now available between these hours.
- That we also stock both Nisa and CO OP lines (Nisa is part of the CO OP).

Our regular customers will have noticed the changed layout and we appreciate your patience and continued support during the refurbishment. Hopefully this will be an improvement 'however if you can't find anything you are looking for, then please do ask, we are here to help'.

Once again we thank you all for making us part of this lovely village and hope that with your valued custom, support and input we can carry on providing a quality, yet affordable, service to the Abingtons and surrounding area.

Great Abington Parish Council

An Active Council

Village clean-up day

Come and join us on 30 March when the annual village clean up takes place. Meet outside the Village Institute at 10am.

Council Tax

Both the County and District Councils have the ability to raise council tax each year to pay for the services they provide, they (almost) always take this option up and have both done so this year with the District raising their rates by 3.56% and the County by 4.98%.

Councillor vacancy

Reminder that Great Abington Parish Council has a Casual Vacancy. Anyone interested in joining the Parish Council should contact the Clerk. Those who put their name forward will be asked to come along to meet the Parish Council and make a brief presentation on themselves and what they feel they have to offer in this role.

Around the village

Speedwatch After a few months off due to faulty equipment, we are now back on the roadside. We have just gained permission from the police to monitor Pampisford Road in Great Abington. We already have a few volunteers from that end of the village but if anyone else is interested please contact Suzanne on suzpattinson@freebie.net.

Village signs You may have noticed our Little Abington/speed signs on Bourn Bridge Road and the children's signs at Ivan Clark's corner. Let us know if you think we need any more.

Meeting in February

Path along field edge in Bourn Bridge Road 'Private' signs were erected in late February by the landowner along this popular dog-walking footpath. We had been contacted by the landowner about its status but were as surprised as anyone at this recent action. We will now contact the appropriate CCC officer for advice and have assured the landowner that we are giving this matter our consideration.

New Local Development Plan Landowners have been invited to identify land for possible future housing development by submitting applications to the Strategic Housing Land Availability Assessment (SHLAA) process.

Granta Park gym The Apiary is now happy to offer a limited number of gym memberships (at £70 per month) to the villagers of Great and Little Abington. They are currently inviting people who are on the waiting list. To join it, please email: grantapark@nuffieldhealth.com

Planning

S/4644/18/FL Burger King, Fourwentways *Retrospective. Various external alterations to restaurant.* Approved by SCDC without referral to their planning committee despite our objections. Conditions require the external appearance of the building to be improved and litter-picking to be enforced.

Next meeting Monday 29 April: Parish Council meeting at 7pm followed by Annual Parish Meeting at 8pm. Join us to learn more about the parish nurse project, outcomes from the Abington Future event and the local development plan. It's also an opportunity to raise your own issues and enjoy some refreshments!

What would you do to improve health services in Cambridgeshire?

The NHS is developing a local plan and needs your help.

How would you make it easier for people to look after their own health and wellbeing? Healthwatch wants to hear your ideas about

- Making it easier for people to get support closer to home and via technology.
- Doing more to help people stay well.
- Providing better support for people with cancer, mental health conditions, heart and lung diseases, and other long-term conditions.
- Providing better support for people as they get older and experience conditions such as dementia.

Cake Bakers –response to appeal for more

We are delighted to say that at last we have an amazing response. We have had one meeting with volunteer bakers with another to follow soon. Gill, Bronwen and I were so pleased to see younger people coming forward as well as those of us with a little more time. It is also brilliant to have some new ladies in the village interested in helping. Thank you so much.

Abington Future – residents have their say

At a drop-in public consultation on 12 January, residents of Great and Little Abington had an opportunity to meet their Parish Councillors informally and to give their views then or subsequently on the future of the villages. The Parish Councils will of course be considering how best to respond to the suggestions and comments received so far, and they are summarised below:

Housing and Planning

- there should be more affordable housing
- there should be no further housing development, we have enough and there is a risk of changing the character of the village
- rather than build more houses we need some sheltered accommodation
- there was concern over possible plans for the former Comfort Café site

The Recreation Ground

- the Pump track looks OK but try to avoid felling trees when it's installed
- more activities needed for youngsters, and there should be an effort to encourage more use of the Recreation Ground in general

Paths and Rights of Way

- the quality of some existing paths needs improving
- more paths are needed now Granta Park access is restricted
- keep pressing for general Granta Park access to be restored, there has only been a token response to access issues with the offer of gym memberships

Roads, Traffic and Parking

- there should be spaces reserved for blue badge parking in the village centre
- action is needed on pavement parking and dangerous parking
- some parking problems can be resolved with yellow lines
- traffic speed is still an issue, including Granta Park and traffic on Newmarket Road
- action is needed regarding thoughtless drivers who block the Granta Park roundabout during the morning peak period
- lorry parking, litter and the state of the verges at Four Went Ways need action, disappointing that neither elected representatives, local authorities or police seem to care, but if parking is allowed to continue some facilities should be provided

Trees and the Environment

- some trees are obstructing street lighting and need cutting back
- we should plant more trees
- there are places where trees and bushes encroach on the pavement and should be cut back (generally the responsibility of the landowner)

The Parish Nurse Project

- this is a valuable service (to which the Parish Councils contribute funding)
- provides good support for the elderly in the community

New Initiatives

- there should be a green recycling day once a month
- there should be an update of the Abingtons Directory, a Welcome Pack for new residents, and a paths/footpaths map

In addition to the points noted above some 150 people signed a petition demanding action to improve Four Went Ways.

Thanks are due to all who contributed their views. A more extensive review of responses will be available on the Abingtons website. More specific suggestions in relation to the above, and of course all constructive input, are welcomed by the Councils at any time, including during the public participation sessions at Council meetings.

News from Abington Jeremiahs

This half term Jeremiahs have been up to lots of fun at Abington Woods. Beavers have been learning about endangered animals and recycling by making elephants from old plastic milk bottles, whilst working towards their Global Issues Badge. We held our annual Valentine's Day Café where the Beavers made and decorated cookies and served tea and coffee for their grownups. We have also had a visit from Linton Beavers which allowed both groups to have a camp fire, games, songs and smores!

Cubs have celebrated Pancake Day at the scout hut and are also working towards their Scientist Badge this term with activities including a visit to a robotics workshop at the Department of Engineering, making crystals and also joining in the RSPB Bird Watch and learning about our garden birds and wildlife.

Scouts have recently merged with 1st Balsham Scouts and have been working on Local Knowledge and Navigation Badges, which have included short hikes around Balsham and a 3 hour night hike from Abington Woods to Balsham Scout HQ with a sleepover in the hut.

Cubs have their annual cub camp in May, which is always an amazing weekend away near Bury St Edmunds. The Beavers join in the camp for a Funday on the Saturday and enjoy a fun packed day of activities.

As this half term draws to an end we are looking forward to lighter evenings after the Easter Holidays and to using more of the outdoors area at Abington Woods for all things scouting and nature!

Forget-Me-Not Club

Members who attended our AGM in April 2018 will remember that I reported that it was to be my penultimate year, so this is my final FGMN Club report. I am however delighted to say that we potentially have a new Chair who will be proposed for election at the AGM. I know that this person is perfect for this role and will carry it out admirably if elected. On a personal note I would like to say a huge thank you to all the different committee members with whom I have worked in the last 13 years and to all the members for their support and appreciation. Working within your community is the most rewarding pastime; I encourage everyone to do it.

We have a full programme for April beginning with a talk by Helen McMenemy who overcame a tragic accident following a rather turbulent young life. Following her accident Helen works tirelessly raising money for Air Ambulance which she claims saved her life. This is followed by our 64th Birthday Party and finally the AGM.

The club were saddened to hear that one of its members, Sue Toates, had passed away. Sue joined the club in 2009 and quickly became involved in the catering and then a valuable member of the team. We will all miss her cooking talents and her caring friendliness immensely. Sue's funeral will take place on Monday 1st April (page 5).

Sadly two days later we lost another member, Douglas Taylor. Douglas had not been a member very long but certainly left his mark when he gave a talk on his life as Lieutenant Commander Douglas Taylor RN and his invention of the 'Ski Jump' that facilitated short take-off from ships, and featured in a most interesting book, "A Runway in the Sky". Douglas's funeral is on Wednesday 3 April (page 5).

Dates for April 2019

Tuesday 2 April – 2pm – Speaker Helen McMenemy "Overcoming Adversity" Charity Air Ambulance.

Tuesday 16 April – 2pm – 64th Birthday Party with entertainment by Barry Peters.

Tuesday 30 April – 2pm – FGMN Club AGM followed by a quiz.

Abington & Hildersham Women's Institute

Our Annual General Meeting in March was a more formal affair than usual, marking 100 years since the founding of Abington WI. We welcomed Sue Smales, trainee advisor and member of Linton WI as an observer. There were reports of the year's activities and full accounts of our income and expenditure, which reflected another successful year for our WI. Thanks were given to the committee for their organisation and to the members for their continued support. We were pleased to elect two new committee members and President Janyce Garrod was re-appointed. We were saddened to hear of the sudden death of our dear friend, Sue Toates, who had contributed so much to our WI over many years. Membership now stands at 36. During social time we enjoyed Dessert Island Discs - puddings made by the committee and music chosen by members with special memories.

Next meeting: Monday 8 April 7.30pm "Aromatherapy" by Jacqui Calvin.

New members and visitors (£4) always welcome.

NB. Monday 29 April 7.30pm Centenary CFWI Council Meeting at Impington Village College - Guest speaker: Baroness Floella Benjamin. Please contact Gill Smith to order a ticket (£10) asap. (Transport available)

Marilyn Broadhurst (893 214)

Abington Gardening Club

On Monday 1 April the speaker will be Robin Bletsoe talking about the Royal Botanic Gardens at Kew.

All welcome, annual membership £8, visitors £3

Abington Walking Group

Our March walks did not start very well as a proposed route had a footpath closed so we ended up on a mystery tour of Moyns Park. The Saturday walk was more straightforward on a delightful morning at Littlebury Green where we saw a herd of at least 100 deer.

The April walks start on Thursday 4th which includes an optional pub lunch. The Saturday walk is on 20th. The next event is our annual social evening on Friday 26th at 7pm in the Institute.

Naturewatch Spring Meeting

On Friday 5 April at 7.30pm in the Institute we have our Spring Naturewatch Meeting. There will be a talk by Michael Holdsworth on his work with ringing and tracking Spotted Flycatchers – some of which was done locally. We will also be reviewing what has been happening over the winter, look forward to the Spring/Summer visits we have planned and talk about the Naturewatch Internet Blog. There will also be copies of the 2018 Naturewatch Record available for £1 summarising all the reports and visits over 2018.

Everyone is very welcome at what will be a very interesting meeting.

GRANTA Medical Practices

Did you know

In January Granta Medical Practice's clinicians saw or spoke to 20,256 patients. This number includes urgent appointments, routine appointments and telephone appointments. Unfortunately, there were an extra 1,026 appointments that patients did not attend (DNA).

February's appointments totalled 17,876, but again there were 1,043 DNA's!

Sometimes it can be difficult keeping to an appointment date and time. However, if you ring and cancel even half an hour beforehand we would be able to reuse your slot for another patient.

You can also cancel your appointments on line. Using SystemOnline allows you to book, cancel and rearrange appointments as well as requesting repeat medication and viewing your summary care record. Call in to your local surgery or see our website for more information.

Linton Village College

The national press has been dominated by very sad news of teenagers whose lives have been tragically cut short as a result of knife crime. Sometimes it is tempting to believe such issues happen elsewhere; that extreme anti-social behaviours are restricted to other parts of the country and are not relevant to our own communities. While less rural areas may be more prone to criminal behaviours, this does not make villages such as Linton immune to them.

Young people have always been susceptible to risk-taking behaviours. The adolescent brain is in the process of regulating thrill-seeking impulses. Meanwhile, the transition to adulthood creates greater independence and opportunities that may compromise children's safety and wellbeing.

At Linton Village College, our PSHE (personal, social, health and education) curriculum helps students to develop an appreciation of how their bodies and minds work. We encourage our learners to be reflective and self-aware as well as educating them about potential harmful influences in order that they can keep themselves and others safe and healthy.

In recent months we have developed stronger educational links with Cambridgeshire Constabulary. Our students have benefited from police sessions entitled 'What's the Point?' including an appreciation of the facts and consequences of carrying weapons. The police have also contributed to input about County Lines (gangs that target young people to take and sell drugs across county borders). It is important that our children are aware of practices that seek to exploit them and entice them into being involved in criminal behaviours.

Peer pressure has become more sophisticated and significant with the development of technological communication and mobility. Research into the rise in online grooming, facilitated by social media platforms, has coincided with a spike in adolescent mental health issues.

The African proverb 'it takes a village to raise a child' is particularly relevant at the moment. More than ever, our young people need responsible adults in their communities to keep them safe and prevent them from seeking acceptance by more dangerous means. Reporting concerns to the College at thinkpink@lvc.org, the police at www.cambs.police.uk/report/Report-Shared/Report-a-concern and to students' families is integral to this.

Linton Village College - Adult Community Learning

We are running Adult & Family workshops on Saturday 11 May

Adult workshops run from 10am until 4pm cost £40

Topics are Upholstery, Blues Harmonica, Indian Stuffed Breads and Silk Painted Cushions.

Family workshops: Two creative, fun, practical and innovative workshops for the whole family to enjoy. Each of the workshops will look at how to draw and then develop your drawings and observations. Each session is accompanied by a handout which is full of ideas that you and your family can take away with you.

Workshop 1 (9.30—12.30) Reflections: Getting to Grips with Thinking Backwards

This course explores drawing and printing projects related to mirror reflections. (Please note this workshop does not include a ceramics project).

Workshop 2 (1—4pm) Sculpture: Cakes!

Drawing and modelling from life, exploring cakes and afternoon tea

There are also three new evening classes.

Woodwork 10 weeks 7pm -9pm and 5 week beginners sketch book 4pm -6pm both starting Thursday 2 May, and Positive Mind Set Awareness & Meditation course 5 weeks starting on Wednesday 1 May

For more details or an enrolment form please email adult.education@lvc.org or tel 01223 891233 Ext 303 or 317
