## Letter from the Editor

The war in Ukraine reminds us continuously of the terrible suffering inflicted on the Ukrainian people and the devastation to buildings and infrastructure. It has also provided heart-warming examples of the determination that people in the UK and other countries have shown in delivering practical help in Ukraine and in offering homes to refugees (see page 18).

The high cost of living in the UK is causing severe hardship for many families and reminds us that foodbanks are increasingly needed and warrant all the support we can give (page 5).

Many thanks to Rod Willcox who finalised negotiations with oil suppliers for May delivery. The most competitive price quoted was 93.75p plus vat which makes a final price of 98.43p per litre. The order placed was for 44,000 litres.

It became standing room only at the meeting held on 11 May to discuss proposals from the Greater Cambridgeshire Partnership for a pedestrian, cycling and horse-riding greenway through the Abingtons. Residents had serious criticisms of the changes required to already congested and often narrow roads to make special space for non-motorised users. These included safety concerns. To ensure that the GCP fully appreciates the views of Abington residents, the latter are urged to write directly to <https://www.greatercambridge.org.uk/transport/transport-projects/greenways/linton-greenway>

Please copy comments to the Great and Little Abington Parish Councils (pages 7, 9, 16).

Reports from our County and SCDC and Parish Councils demonstrate continuing developments with road safety and road improvements as well as important decisions on planning, efforts to improve broadband provision (see pages 9, 14, 16). Congratulations to the councillors who were re-elected. There is still a vacancy on the Little Abington PC.

As usual the *News* contains details of the many Club activities and visits on offer. Of special interest are visits to the Open Gardens in Great Abington on and the Midsummer Walk and Picnic, both on Saturday 25 June (pages 5, 9). In addition there are the arrangements for the Queen's Platinum Jubilee Celebration from 2 to 5 June set out in a separate leaflet and on pages 5, 14. On Sunday 5 June the village clubs will provide details of what they do, when, and where, and will be delighted to welcome new residents. Our warm thanks to the volunteers who work hard to make all these things happen.

## **From the Seven Churches**

It seems impossible to imagine that we are halfway through 2022, but what a joy it is to see spring flowers, hear the birds singing and have the longer days.

As we celebrate the changing seasons I recently heard on the radio a folk song by the Byrds with the lyrics taken from Ecclesiastes, 'For everything there is a season, and a time to every purpose under the heaven'. On a trip to Bury the next day there it was on the radio again. All of us at times in our lives face change, even when we have had a period of stability, including me! Prior to moving here, I spent three years as a curate in the Raddesley group, near Newmarket. And now, after eleven years, I am retiring from this group of parishes with my final service on Sunday 26<sup>th</sup> June at 10.30am at Balsham church. I plan to take six months off and see where God leads me after that.

It has been a great joy to walk beside so many people over that time. I have completed all the challenges presented with the help of God and have grown in confidence. I have been able to weep with those who weep, and rejoice with those who rejoice.

There is so much happening in our fast-changing world today. Although the pandemic is subsiding, we continue to face climate change and poverty in many parts of our society, and of course the war in Ukraine is never far from our thoughts. But we can respond by being compassionate and showing love to each other. Our churches offer a warm welcome and even a visit to the church when it is empty offers a stillness and much to sustain us when times are difficult. We are all being called to have greater resilience as we work together in the future.

May I wish you all a very happy Jubilee weekend. I look forward to seeing you all as I go about my daily life. Every blessing

Revd. Kathy Bishop

## News from the Pews

At the end of April our churches held their Annual Parochial Church meeting. Revd Iain thanked members of the PCC for their dedicated work throughout the year. Annual Reports were presented of the various work carried out throughout the church year. Copies of these can be viewed in both churches; they are an interesting insight to church life. We currently have 54 members of our community on the electoral roll. Joining the electoral roll confirms your commitment to our churches and to the vision of the church. Our churches serve the community to promote fellowship, trust, faith, and hope, especially in these difficult times.

**Prayer Boxes:** A prayer team is being established, led by Amanda Goodman and Hannah Threlfall, who will meet on a regular basis with other members of the group, to pray for those who have asked to be added to the prayer list. If you would like your name to be added to this list, please feel free to contact Amanda – [amandapaulagoodman@gmail.com](mailto:amandapaulagoodman@gmail.com) 290 009 or Hannah Threlfall – [hthrelfall82@gmail.com](mailto:hthrelfall82@gmail.com). Or, alternatively, leave your written prayer in one of the Prayer Boxes which are in both churches.

Our very much used church prayer tables will still be available where on occasion your prayers are added to intercession prayers.

**Food Banks:** The Food Banks in both of our churches have now inevitably become a necessity. Please help by adding items of food, cleaning materials and toiletries if you possibly can.

**Church Car Park:** Owing to the ongoing parking problem at Great Abington Church we ask that where possible you park your car in the High Street when attending a church service. However, we completely understand that in some cases parking at the church is necessary.

**Platinum Jubilee Church Service:** There will be a special service to celebrate this occasion on Sunday 5 June. Please do join us on this very special day which will be followed by a Giant Picnic gathering on the recreation ground next door to the church. We expect the time to be 10.30am. However, Revd Iain has six other churches requesting a similar service on this day and at this time. Watch posters and Village News for time!.

**Open Gardens:** Entries for this event are nearing completion as the programme needs to be produced. Make a Date **Saturday 25 June**.

**Funeral:** The funeral of Victor Rieicansky took place at Cam Valley on Friday 22 April. His son Eugene gave a beautiful and interesting tribute detailing Victor's amazing achievements throughout his time in the UK after leaving his Czechoslovakian homeland. After initially working as a technician at The Welding Institute he finally moved on to translating many technical journals. Victor's ashes will be taken to his homeland for burial. Our thoughts and prayers are with his wife Lynne, son Eugene and two grandsons.

## ROUTING OF THE LINTON GREENWAY

Meeting held on 11<sup>th</sup> May 2022

At the Abington Institute

The meeting was opened and both Greater Cambridgeshire Partnership (GCP) representatives, Martin Meehan and Oliver Daffrin, were welcomed.

The meeting was superbly supported by residents of both Abington parishes. It was a lively meeting with residents forcefully expressing their views on the proposed project. There were drawings laid out and Oliver Daffrin talked through the route A, which is claimed to be the preferred one for this project.

After long discussions the meeting closed and Martin Meehan suggested you email him with your comments and objections. He will then summarise and present to the Board in Cambridge. You can do this.

**On discussion with our County Councillor it is strongly recommended that all residents write to the GCP Board direct rather than relying solely on Martin.**

**You can see info and contact information at the following email address**

<https://www.greatercambridge.org.uk/transport/transport-projects/greenways/linton-greenway>

When you do email please would you copy in the Parish Council so we can keep these comments on file for future consultations.

### DUXFORD SATURDAY WORKSHOP

**Free Musical Instrument “Taster Morning” at Duxford School, Saturday 2 July**

Would you or your child like to play a musical instrument, but you aren't sure which one? Would you like to try out one or more instruments before making up your mind?

***If so, Duxford Saturday Workshop Taster Morning is for you!***

At this event, experienced tutors and players will help you to have hands-on, practical experience of several instruments. They are available to answer your questions and to help you to decide which instrument is the one for you. This is completely free. There is no need to book in advance, and you do not have to be a current member of the Music Workshop to come along - so just arrive. Of course, if you decide to join us for the next Workshop year (beginning in September) you will be most welcome. Our current membership rate is only £20 per year, with a weekly attendance fee of just £2 for adults and £1 for children. If you need an instrument, items can often be borrowed from our hire stock for the year at low cost (currently £25 per year), meaning that it is possible to gain tuition and experience of playing, for a very modest outlay indeed.

Workshop takes place at Duxford School on Saturday mornings during term-time and is very much about enjoying music-making in a supportive and fun environment. All ages, abilities and experience levels are welcome, and we offer both ensembles and tuition to cater for a wide range of musical interests and tastes.

Instruments included in the Taster Morning are: *Violin, Viola, Cello, Flute, Oboe, Bassoon, Clarinet, Saxophone, Trumpet, Cornet, Trombone, Guitar and Ukulele.*

**When? Saturday morning 2<sup>nd</sup> July, 2022 from 11.00-12.15pm**

**Where? Duxford Primary School, St John's Street, Duxford CB22 4RA.**

# County and District Council District and County Councillors' Report May 2022

## District Council Elections

South Cambridgeshire District Council held elections at the beginning of the May and we're both very pleased to say that both Henry and John were re-elected to represent Linton, Abington, Hildersham, Bartlow, Shudy Camps and Castle Camps for another 4 years.

Regardless of who, if anyone, you voted for, we represent everybody in the constituency on the District Council and are really looking forward to continuing to do so.

The full election results across the whole of South Cambridgeshire are:

Liberal Democrats – 37 councillors

Conservatives – 7 councillors

There are no other political parties represented on the council.

## A1307 Upgrades

The next set of upgrades to be implemented on the A1307 is the safer crossing point at the Hildersham junction. This involves putting in a crossing for all non-motorised users (pedestrians, cyclists and horse riders). This has begun already and will be fully completed in the summer.

## Vaccination Centres

Some villages in South Cambridgeshire will be hosting mobile vaccination centres in May. These are facilitated by the NHS in conjunction with the local authorities. The full list can

be found at [www.thevaccinators.co.uk](http://www.thevaccinators.co.uk).

## Help shape policing priorities in your area

Residents across **Cambridgeshire** are being invited to have their say and help shape policing priorities in their area. Following a pilot in Cambridge city, Neighbourhood Policing Teams have launched a new way to influence what officers in your community focus on. This online tool provides a quick and easy way to have your say.

People living in **Cambridge city, East Cambridgeshire, Huntingdonshire and South Cambridgeshire** are invited to take five minutes to fill out an online survey each quarter so local officers can understand what crime is happening in their area.

Residents are also invited to attend an online meeting each quarter where there will be a presentation on recent policing activity from the team and the results of the survey will be shared. During the meeting neighbourhood teams will be able to listen to concerns, discuss, and allow residents to have an influence on what local police teams tackle.

After the meeting, the team will work on the matters agreed and update residents with progress over the following three months before the process begins again.

Chief Inspector Paul Rogerson, who looks after the neighbourhood teams across the south of Cambridgeshire, said: "Our very genuine desire is to focus our neighbourhood teams on the things that are of the highest risk and concern for our residents. We are also really keen to tell you more about those things you might not realise we do or see us doing.

Online contact will never replace police teams being out on patrol to speak with. However, residents have told us this is a quick, easy and effective means of getting to know your team and shaping what they do."

Residents can fill in the survey here: <https://forms.office.com/r/bYXEZWCb3u>

Residents can also see a list of dates for the online meetings over the next eight months and sign up here: <https://www.eventbrite.co.uk/o/cambridgeshire-constabulary-14356769797>

## **Abington & Hildersham Women's Institute**

A big thank you to all who supported our Cake & Plant stall in May. At our meeting Fiona Rose gave an excellent illustrated talk about Mexican artist Frida Kahlo, born in 1907, who led a turbulent and often tragic life. Aged 18, she suffered terrible injuries in a bus accident which caused her lifelong pain and medical problems. She joined the Communist party and met Diego Rivera (20 years older). They married in 1929 but Diego had many lovers, including Frida's sister. Frida longed for a child but had 2 abortions due to her damaged pelvis. She also had lovers, including Trotsky. Painting became her passion, and she developed her own style of realism/surrealism based on her life experiences, often unflinching, graphic and gory. She had exhibitions in Paris, Mexico and the USA but struggled to make a living. She was very productive in the 1940s but her spinal surgery failed and she became addicted to morphine and largely bedridden. In 1953 her right leg was amputated and in 1954 she died, aged 47. In 2021 her self-portrait 'Diego and I' sold for \$35million.

**Next Meeting: Tuesday 7 June 7.30pm:** Group Meeting with Balsham & Linton WIs to be held in Linton Parish Church. Bryan Thurlow will give an entertaining talk entitled "The perennial Mr. Potter – a poignant story of a Suffolk gardener", followed by a table competition and refreshments. This event is free to Abington WI members and transport can be arranged.

## **Summer Coach Outing to Beth Chatto's Plants & Gardens, Suffolk**

Abington Women's Institute is organising a village trip to visit Beth Chatto Gardens on Wednesday 27 July, leaving Abington Institute at 10.30am and returning at 5pm. The cost for non-WI members is £22, which includes coach travel and entry to the gardens. Take packed lunch or buy light refreshments in Chatto's tearooms, then tour the gardens at leisure and enjoy a cup of tea before leaving for home.

Beth Chatto OBE was an award-winning plantswoman, author and lecturer. In 1960 she took an overgrown 7.5acre wasteland of brambles, parched gravel and boggy ditches, and transformed it using plants adapted by nature to thrive in different conditions: right plant, right place, creating an inspirational, informal garden. 80% of the plants for sale are raised from the Gardens' stock.

Please contact Marilyn Broadhurst tel. 893214 / email [broadhurstmarilyn@gmail.com](mailto:broadhurstmarilyn@gmail.com) or Gill Smith tel. 892759 email [randg.smith@btinternet.com](mailto:randg.smith@btinternet.com) if you are interested in coming on this outing.

## **Abington Bowls Club**

Returning after a two - year pandemic pause, ABC have hit the ground running. In the Cambridge & District League Division 4 we are, in American parlance, 2 for 2, Melbourn and Duxford being our victims. Early days, of course, but encouraging.

By the time you read this we should have played two more. I will report each game on the Abington Village Facebook group site. Also, the result of the latest game will be shown on a board hanging on the wall by the green (which is on the High St in Little Abington). If you are really keen you can go to the C&D website and track our progress.

[www.cambridge-and-districtbowls.co.uk](http://www.cambridge-and-districtbowls.co.uk). Click on LEAGUES, then LEAGUE DIV 4 to find the table. Scroll down to find our results.

If you are passing while we are playing, do come and watch. And if you want to join, do let us know. We shall be on show at the Rec. on Sunday 5 June, during the Jubilee festivities – come and have a go. You might have hidden talents.

**June** home games are on Tue 7<sup>th</sup>, Tue 14<sup>th</sup>, Fri 17<sup>th</sup>, Th 28<sup>th</sup>, Fri 29<sup>th</sup> starting at 6.30 pm.

## Hildersham News

### Hildersham's Platinum Jubilee Celebration

**Sunday 5 June, from 12 noon on the recreation ground.**

A fabulous opportunity for family, friends, and neighbours to join together for an afternoon of free, fun-filled activities and live music. There will be lots to enjoy:

### Childrens' Church Council (CCC) News

The children were very excited to see that the birds of Hildersham had a number of new residences in the churchyard and the old school wood. A map of the churchyard, painted by the children, will soon be in place. The position of each new residence will be marked, as will the bug hotels, which will be constructed at our next meeting in June, together with the location of a hedgehog house very kindly donated by a member of the PCC.

Our meeting in May allowed us the opportunity to create a collage reminding us of how we journeyed through Lent and how we might continue to keep important issues such as 'Justice and Freedom' at the forefront of our lives.

We hope that Bishop Stephen, who came to preach in Hildersham Church in May, enjoyed looking at the board, as well as relishing the cream teas after the service.

We are also hoping that our wildflowers will be making an appearance in the areas that were created last year and we are preparing some illustrated boards to inform visitors of the flowers within the meadow.

Several village residents and members of the PCC tackled the ivy on the many beautiful trees in the churchyard, and the old school wood, to further promote biodiversity and environmental health.

## Hildersham Parish Council

**Report on the Hildersham Parish Council AGM meeting held on 10<sup>th</sup> May 2022.**

All five Parish councillors were elected unopposed as Hildersham Parish councillors. Henry Batchelor will continue to represent the parish as a District and County Councillor and John Batchelor will continue as the second District Councillor.

The Parish Council continues to raise concerns about the safety of the High Street/Back Road/Balsham Road crossroads. The council aims to get the road markings and signage improved, making drivers more aware that vehicles need to stop at this junction. Ideally the council would like more significant changes to be made to improve safety and reduce the number of accidents at this junction.

As a consequence of the work to improve the A1307/Beech Row and Pampisford Road/A1307 junctions two new bus shelters will be installed either side of the A1307. These shelters will include lighting and a digital display of bus arrival times.

Defibrillator training is being arranged for any Hildersham residents interested in learning how to use the equipment, please look out for the date on the notice board. In the event of a cardiac emergency, the defibrillator does issue clear instructions to the equipment user, so that anyone can use it.

The Council has applied for a Platinum Jubilee Community Chest grant to contribute towards the creation and installation of a pictorial map of walks around Hildersham on a lectern style sign. The council plans to install this near the entrance to the Recreation Ground.

The Recreation Ground Trust and Field Garden Trust meeting is usually held after each Parish Council meeting. The land previously administered by the parish council, including the allotments, the Recreation Ground, North and South Holding, will be managed by the Trusts.

If you notice a fault with the highways, such as potholes, you can report them using the following link: <https://www.cambridgeshire.gov.uk/residents/travel-roads-and-parking/roads-and-pathways/roadworks-and-faults>

The next meeting of Hildersham Parish Council will be on Tuesday 12<sup>th</sup> July 2022 in Hildersham Village Hall. Information is on the Parish Council's website: <https://hildershamparishcouncil.org.uk>.

## Girlguiding Linton District

What a couple of months it has been! March saw our Rangers and Guides take part in an incident hike organised by Cambridge University Scouts and Guides. An event enjoyed by all who came. Our Trefoil members visited the fire station in Linton and had a really interesting evening. They also celebrated a 90<sup>th</sup> birthday with lovely cake and lively conversation. Our wonderful Jarman Centre in Newmarket had its annual bank holiday Easter fun day for families to enjoy and by the time you read this will have had its big car boot sale on the 22 May.

The beautiful snowdrops outside our hut in Linton have now disappeared again until they reappear next spring.

Our units are getting ready to have their pack holidays, overnights and Summer camps and the Rainbows are getting ready to go wild in June. There are 12 counties that make up our region of Anglia and our county is Cambs east. The county organised a huge county wide event called 'survive to thrive' at the beginning of May and all our girls had a go at activities such as a silent disco, getting knotty and going on a picture scavenger hunt.

As you will see from the photo the cream egg chicks made for Easter look yummy...

### **Public Art Commission – Granta Park**

As part of our recently approved proposals for the Zone 2 Development at Granta Park we are seeking to bring forward a bespoke Public Art commission. We aim for this to form an integral part of the wider scheme and promote strong sustainability and biodiversity credentials. We hope to form a steering group comprising members of the wider community who share an interest in the arts. The steering group, in liaising with our art consultants, will help inform the artist brief and be part of the artist selection process. The process will involve several in-person and virtual meetings, workshops and interviews.

If you are interested in participating in this process please contact [heidi.sharp@bidwells.co.uk](mailto:heidi.sharp@bidwells.co.uk) and include a brief description of your interest and experience in the arts and the local community. Application deadline: 5pm on Friday 17 June 2022.

## Ukrainian Guests in Abington

Abington has a support group for displaced Ukrainians. There are currently 16 households involved in Great and Little Abington; six of these households are offering to host guests and 10 households are offering support.

Two hosting households have received their guests and four are in the process of seeking a match. The guests that have arrived are two university students and a family of five.

I have been involved in the Ukrainian Reception Centre at Stansted airport and have been impressed with the courtesy and standard of English of all arrivals from Ukraine. Considering they have left almost everything behind, including loved ones, they all show a positive outlook. The hosts are providing “domestic” care and the support households are assisting with transport, arranging health care, shopping, introduction to the community and English culture, also both hosts and supporters are involved with arranging the formalities of citizenship in England. As our guests settle into the Abington community they will be seen in the village and are really keen to be involved and are interested in the village activities. Do speak with them to ensure an “Abington welcome”.

## Sawston Fun Run attracts one of its highest turnouts

The Sawston Fun Run exceeded expectations on Sunday 8<sup>th</sup> May with 1,115 entrants for the two charity fun runs. Organised by the Rotary Club of Cambridge Sawston, it attracted one of the highest turnouts in its thirty-six-year history. Expectations are that over £15,000 will be generated, taking the cumulative total close to £510,000 that has been donated to local charities and organisations. Elite runners, social runners and families completed either the 7.4k run or the shorter 4K route for walkers and the race for school years 1-6. The fine weather attracted large crowds who lined the streets, and, with the Sawston Youth Group Band and the local Samba Band in the High Street, gave encouragement to walkers and runners alike and generated a carnival atmosphere.

Trophies were presented by the High Sheriff of Cambridgeshire, Jennifer Crompton. The overall winner was Andrew Mynott in a time of 24.31 minutes and the winning female was Isabella Shorten, a student at Sawston Village College in 29.27minutes. The first boy from the college was Mathew Smith who came first in his school year 7-11 category. Other winners were school years 1-6 Craig Calver and Amelie Crawford, 17–39-year-olds: Chris Kelly and Suzy Tautz, 40–54-year-olds: Andrew Mynott and Hannah Cooke and 55+ year olds: Shane Cahill and Chloe Brown.

The biggest beneficiaries will be **East Anglia’s Children’s Hospice [EACH]** at Milton, Cambridge, **and Rowan**, a local charity that supports adults with learning disabilities.
